

Between the Rivers Fund
Application for Financial Aid
Argyle Weekend 2017

The Northern Virginia and Washington Branches have established a scholarship fund to help dancers attend designated branch and area events. The Between the Rivers Fund will provide up to 50% of full weekend fee to attend Argyle Weekend 2017 to dancers who can benefit from financial assistance.

Financial aid recipients are required to attend the Welcome Dance, Ball and classes and submit a brief description of their experience to the committee via e-mail or USPS. This note will be used by the committee to evaluate this financial aid program and will be shared with the event organizers for assessment and promotion of the event. Your application for assistance is due to the Between the Rivers Fund Committee by November 1, 2017.

You may submit your completed application with your signature to the committee at betweentheivers@rscds-greaterdc.org (scanned file or cell phone picture). Or mail a printed form to Fred Eustis, 2118 Pine Avenue, Windsor Mill, MD 21244. All applications will be reviewed by the Committee by November 5, 2017. Awards will be made based on funds available for scholarships, established need of the applicants, and benefit to both the applicant and the Scottish Country dancing community. Be as complete as possible in filling out this application. In addition, you are required to get a letter of recommendation from your Scottish Country dance teacher. Please provide your teacher with the Teacher Recommendation form for submission to betweentheivers@rscds-greaterdc.org.

Name _____ Phone _____

Address _____
