

**Between the Rivers Fund
Teacher Recommendation for
Argyle Weekend 2018**

Note to teacher: The Northern Virginia and Washington Branches have established a scholarship fund to help dancers attend designated Branch and area events. The Between the Rivers Fund will provide up to 50% of the full weekend fee to dancers who can benefit from financial assistance. The fund aims to help dancers who need financial aid to attend events and to encourage new and young dancers to become involved in the dance community.

Your student is requesting financial aid to attend Argyle Weekend 2018. All applications will be reviewed by the Between the Rivers Fund Committee and awards will be made by November 5, 2018. Awards will be based on funds available, established need of the applicants, and potential benefit to the applicant and Scottish Country dancing.

We require all applicants to submit a recommendation from their teacher. Please complete this form and send it directly to the Committee, to arrive by November 1, 2018. You may email an image with your signature (scanned or cell phone photo) to betweentheivers@rscds-greaterdc.org or mail the form to Fred Eustis, 2118 Pine Avenue, Windsor Mill, MD 21244. To retain confidentiality, please do not return your recommendation to the applicant.
