Where is the Greenbelt Dance Studio?

The Greenbelt Dance Studio is located in the Greenbelt Community Center, which is, in turn, in the heart of historic Greenbelt Maryland, approximately three quarters of a mile North and slightly East of the intersection of the Capital Beltway (I495 & I95) and the Baltimore Washington Parkway. It is, however, on the **West** side of the Baltimore Washington Parkway, since the Parkway at this intersection is going in a North Easterly direction.

Directions to the Greenbelt Dance Studio.

From the Beltway (I-495 & I-95)

- 1). Take Exit 22A North onto the Baltimore Washington Parkway. If coming from the West (Silver Spring), move immediately to the left on the Parkway, out of the entrance ramp to the Beltway West.
- 2). Pass under the stone bridge (Greenbelt Road) and take the route 193 Greenbelt, NASA Goddard exit. Take the rightmost fork on this exit, which brings you up on Greenbelt Road at the Stone Bridge. Stay in the right lane.
- 3). At the end of the bridge, exit Greenbelt Road right onto Southway Road. The southbound entrance to the Baltimore Washington Parkway is also on Southway Road. As you enter Southway Road move immediately left to get out of the Parkway entrance lane. Go straight through the traffic light at the Parkway entrance.
- 4). Then move to the straight through (left) lane, before the first Stop sign. This is the intersection of Southway and Ridge roads. Go straight through this intersection.
- 5). Go to the second Stop sign, which is a multi way Stop at the intersection of Southway Road with Crescent Road. You are now in historic downtown Greenbelt! Turn left. Drive just past the County Library, at 11 Crescent Road. Make a right turn and go down the hill into the Library parking lot. The Greenbelt Community Center is the other large white building (formerly a school), which faces the lot. Enter at the doorway in the center of this building. Make an immediate left. The Dance Studio is at the end of this hallway on the right. If the Library lot is full, there is additional parking on the street, or on the other side of the Community Center.

From the Baltimore Washington Parkway.

From the North: Get off at the route 193 Greenbelt, NASA Goddard exit. Take the right hand fork. You are now on Southway Road. Go to Step 4 above. Careful! *Don't* take the Goddard Space Flight Center Employees' Exit!

From the South: Pass over the Beltway (I-495 & I-95). Go to Step 2 above.
